- between -

THE GOVERNING COUNCIL OF THE UNIVERSITY OF TORONTO
(hereinafter called “the Employer”)

- and -

THE CANADIAN UNION OF PUBLIC EMPLOYEES, Local 2484
(hereinafter called “the Union”)

ARTICLE 1: PREAMBLE

1:01 It is the purpose of both parties to this Agreement:

(1) to maintain and improve harmonious relations and settled conditions of employment between the Employer and the Union;

(2) to recognize the mutual value of joint discussions and negotiations in all matters pertaining to working conditions;

(3) to promote the morale, well-being and security of all employees in the bargaining unit of the Union;

(4) to maintain a high standard of care for children and promote their intellectual, physical and emotional development;

(5) to encourage and promote cooperation and mutual support between day care workers, the Employer and parents, recognizing that all these groups have an essential interest in obtaining the best conditions for day care generally and are adversely affected by attempts to restrain or cut back government expenditures for day care;

(6) to encourage and promote the development of accessible, affordable, quality day care as a universal right for all parents and children.

1:02 It is now desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in a Collective Agreement.

ARTICLE 2: MANAGEMENT RIGHTS

2:01 The Union acknowledges that it is the exclusive function of the Employer to:

(a) maintain order, discipline and efficiency;
(b) hire, discharge, classify, transfer, promote, layoff, suspend or otherwise discipline employees;

(c) establish and enforce rules and regulations, not inconsistent with the provision of this Agreement, governing the conduct of the employee, and

(d) generally to manage and operate the University of Toronto.

2:02 The Employer agrees that these functions will be exercised in a manner consistent with the provisions of this Agreement and in such a way as to promote a harmonious relationship with the employees.

No Discrimination

2:03

(a) The University and the Union are committed to equal opportunity in employment for women, aboriginal people, people with disabilities, and people who because of their race, colour, sexual orientation or gender orientation have been traditionally disadvantaged in Canada.

(b) The University and Union agree that there shall be no discrimination against employees with respect to terms and conditions of employment because of race, ancestry, place of origin, sex, gender orientation, religious belief, colour, ethnic origin, mother tongue, marital status, family status, political affiliation or belief, citizenship, sexual orientation, disability as defined in the *Ontario Human Rights Code*, or age as defined in the *Ontario Human Rights Code*, or record of offences unless the employee’s record of offences is a reasonable and *bona fide* qualification because of the nature of the employment.

(c) The University and the Union agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practiced by either of them or their representatives because of an employee’s membership or non-membership in the Union, because of an employee’s activity or lack of activity in the Union, or because of an employee filing or not filing a grievance pursuant to the provisions of this Agreement.

Workplace Harassment

2:04 The University will provide an environment where members of the bargaining unit are not subjected to workplace harassment. In assessing whether workplace harassment may have occurred, the definitions and standards set out in the University’s Civility Guidelines, although they do not form part of the Collective Agreement, shall be considered, including by an arbitrator in any arbitration pursuant to this section. The University will notify the Union when any substantive changes are made to the University’s Civility Guidelines and at the request of the Union will meet to discuss such changes.

An employee may file a grievance alleging a course of conduct amounting to workplace harassment if, after the University has exhausted any applicable
internal steps to respond to the situation, the employee is dissatisfied with the outcome. Such grievance will be filed at step 2 of the grievance procedure. If not resolved at Step 2, mediation or facilitation before an agreed upon mediator or facilitator must occur before arbitration takes place. The mediation or facilitation will be confidential and without prejudice to the rights of either party.

Such representative(s) shall have access to the Employer's premises at a mutually convenient time with prior arrangement with the Employer in order to investigate and assist in the settlement of a grievance.

ARTICLE 10: GRIEVANCE PROCEDURE

10:01 An employee having a complaint which may become a grievance arising out of the interpretation, application, administration, or alleged violation of the Collective Agreement will first take up the complaint within fifteen (15) working days after the occurrence of the matter which is the subject of the complaint with the employee’s supervisor, who will attempt to resolve it. Should the complaint fail to be resolved, the employee has the right to bring a Union Steward who may then attempt to solve the complaint with the supervisor and the employee. If the complaint remains unresolved, the employee may file a grievance at Step One of the Grievance Procedure.

Step One

10:02 An employee may request the employee’s supervisor to call the Union Steward to handle a specified grievance. The word “specified” as used in this paragraph is interpreted by the parties hereto to mean that an employee is required to “state the nature of the grievance.” The supervisor will arrange to send for the Union Steward without undue delay and without further discussion of the grievance. The Union Steward, with or without the employee present, will attempt to adjust the grievance with the supervisor, before it is given to the supervisor in writing.

If the grievance is not resolved by the supervisor, it shall be summarized in writing and signed by the employee involved and the employee’s Steward, and submitted to the Manager of the Early Learning Centre by the President of the Union Local/Local Coordinator within ten (10) working days after having received an answer in writing from the supervisor. A meeting shall be arranged between the Manager of the Early Learning Centre and the President of the Union Local/Local Coordinator within three (3) working days of receiving the grievance. The Manager of the Early Learning Centre shall reply in writing to the President of the Union Local/Local Coordinator as soon as possible but not later than ten (10) working days if the grievance is not settled at this meeting.

Step Two

10:03 If the grievance is not settled at Step One, the written grievance may be referred to the Executive Director, Labour Relations, by the National Representative of the Union, or designate, within five (5) working days of the President of the Union Local/Local Coordinator having received an answer in writing from the Manager of the Early Learning Centre. The Executive Director, Labour Relations or designate together with the Manager of the Early Learning Centre or designate shall meet with the National Representative of the Union or designate within five (5) working days of receipt of the grievance in order to resolve the dispute. The Executive Director, Labour Relations or designate shall reply in writing within five (5) working days if the grievance is not settled at this meeting.
Discipline Grievance

10:04 An employee having a grievance alleging improper discipline may file the grievance in accordance with Article 10:02 of the Collective Agreement within fifteen (15) days after the disciplinary action.

ARTICLE 11: ARBITRATION

11:01 When either party requests that a grievance be submitted to Arbitration, it shall make such request in writing addressed to the other party and delivered by registered mail within twenty (20) calendar days of receipt of the answer to the grievance at Step 2. Where no written request for Arbitration is received within the time set out herein, the grievance shall be deemed to have been withdrawn and not eligible for Arbitration. In the event a grievance is referred to Arbitration in accordance with this Article, the Arbitrator shall be selected from amongst this list of Arbitrators:

Rob Herman  
Louisa Davie  
Kevin Burkett

A written request that a grievance be submitted to arbitration shall include the name(s) of the referring party's proposed Arbitrator. Within twenty (20) calendar days thereafter, the other party shall provide written notice that it agrees to an Arbitrator proposed by the other party or will propose the name(s) of another proposed arbitrator. If the parties are unable to agree on an Arbitrator, either party may then request the Minister of Labour for Ontario to appoint one.

11:02 No matter may be submitted to Arbitration, which has not been carried through the grievance procedure.

11:03 The Arbitrator shall hear and determine the grievance and the Arbitrator's decision shall be final and binding upon the parties hereto and the employees.

11:04 The Arbitrator's decision shall be consistent with the terms of the Collective Agreement. The Arbitrator shall not alter, modify or amend any part of the Collective Agreement. The Arbitrator shall have the power to amend a grievance, modify penalties, or dispose of a grievance by any arrangement which the Arbitrator deems just and equitable.

11:05 The parties will jointly bear the fees and expenses of the Arbitrator.

11:06 The time-limits set out in this Article may be extended by mutual agreement of the parties, in writing.
ARTICLE 12: DISCHARGE, SUSPENSION AND DISCIPLINE

Adverse Report

12:01 The Employer shall notify an employee in writing of any expression of dissatisfaction which may be detrimental to an employee’s advancement or standing with the Employer, whether or not it relates to the employee’s work, within ten (10) working days of the event of the complaint. A copy shall be forwarded to the Shop Steward at the Day Care Centre. This notice shall include particulars of the work performance which led to such dissatisfaction. If this procedure is not followed, such expression of dissatisfaction shall not become part of the employee’s record for use against them at any time. The employee’s reply to such complaint, accusation or expression of dissatisfaction shall become part of their record.

The record of an employee shall not be used against them at any time after twelve (12) consecutive clear months following a suspension or disciplinary action, including letters of reprimand or any adverse reports.

Failure to grieve previous discipline, or to pursue such a grievance to arbitration, shall not be considered an admission that such discipline was justified.

Disciplinary Interview

12:02 Where an employee is summoned to the supervisor’s office for an interview concerning discipline, the supervisor will inform the employee of the right to have their Union Steward present prior to discussing the matter with the employee. The employee may, if the employee so desires, request the presence of their Union Steward to represent them during the interview. If the employee requests representation by their Union Steward, the supervisor will send for the Union Steward without undue delay and without further discussion of the matter with the employee concerned. Whether called or not, the Union Steward will be advised in writing within one (1) working day (24 hours) of the facts of the disciplinary action and the reason therefore.

Discipline Procedure

12:03 The employee shall be notified in writing of the action and/or penalty. If the employee challenges the Employer's decision, a copy of the Employer's notice shall be sent to the Secretary of the Union. No discipline will be done without just cause. This clause shall not restrict the Employer from suspending an employee until the issue is resolved through the grievance and/or arbitration procedure. In the event that the Employer requires that an employee absent themselves from the Centre while they investigate an allegation of wrongdoing, the Employee will not suffer loss of income or benefits for the period of investigation up to the imposition of subsequent discipline or reinstatement.
Burden of Proof

12:04 In cases of discharge and/or discipline, the burden of proof of just cause shall rest with the Employer. In the subsequent grievance or arbitration, evidence shall be limited to the grounds stated in the discharge or discipline notice to the employee.

Warning

12:05 Whenever the Employer or the Employer's authorized agent deem it necessary to censure an employee in a manner indicating that dismissal may follow any further infraction, or may follow if such employee fails to bring their work up to a required standard by a given date, the Employer will present the censure in written form to the employee. If challenged by the employee, the Employer shall give written particulars of such censure to the Secretary of the Union within ten (10) working days.

The Employer shall only discipline an employee for just cause.

No Strikes or Lockouts

12:06 The Employer undertakes that there will not be a lockout as defined in the Labour Relations Act during the term of this Agreement. The Union undertakes that there will be no strike as defined in the Labour Relations Act during the term of this Agreement.

Political Action

12:07 No employee shall be disciplined for participation in any political action(s) called for by the Canadian Labour Congress, its affiliates or subordinate bodies. Time away from the workplace if required for such participation shall be taken as either paid or unpaid leave under this Collective Agreement (e.g., vacation, family float days, banked overtime) and the approval of such leave requests shall be subject to operational requirements and shall be granted on a first come, first serve basis.

Access to Personnel File

12:08 An employee shall have the right to have access to and review their personnel file and shall have the right to respond in writing to any document contained therein. Such reply shall become part of the permanent record.

Examination of the personnel file may be made after the employee gives notice of their desire to do so, and under the conditions which the Employer deems appropriate to ensure security of the file.

Use of Demotion as Discipline

12:09 Demotion shall not be used as a disciplinary measure.
ARTICLE 13: SENIORITY

Seniority Defined (Type of Seniority Unit)

13:01

(a) **Seniority for full-time and part-time employees**

Seniority is defined as the length of service in the employ of the Employer and shall be used as set out in other provisions of this Agreement.

(b) **Seniority for term employees**

Term employees shall accumulate seniority on the basis of 1885 hours of work equaling one year of service. Seniority shall be exercised only in making application and being considered to fill a vacant position.

Seniority List

13:02 The Employer shall maintain a seniority list showing the date of hire and the seniority accumulation. An up-to-date seniority list shall be sent to the Union and posted within the day care centre in January of each year.

Probation for Newly Hired Employees

13:03

(a) A newly hired employee other than a casual employee shall be on probation for the first six (6) months of active employment (i.e., days actually at work). After three (3) months of active employment the Employer shall review the work performance of the employee and submit the evaluation to the employee. The employee shall have the right to have a Union Steward present at the meeting where this evaluation is submitted. Days worked need not be consecutive for purposes of calculating the period of probation. During the probationary period, the employee shall be entitled to all rights and benefits of this Agreement, unless the employee is limited by the conditions of article 3:03 (c). After completion of the probationary period, seniority shall be effective from the original date of employment. During the probationary period an employee may be terminated at any time for a lesser standard than "just cause". The parties agree that an arbitrator has no jurisdiction to relieve against the penalty of discharge or substitute or provide any other remedy in the case of the discharge of a probationary employee, unless the discharge was discriminatory, arbitrary or made in bad faith.

(b) A term employee offered a regular full-time or part-time position will receive as a credit against the length of the probationary period the full-time or part-time equivalent of the employee's term service within the twelve (12) months preceding the commencement of regular full-time employment.
Loss of Seniority

13:04 An employee shall not lose seniority rights if the employee is absent from work because of sickness, disability, accident, layoff or leave of absence approved by the Employer.

ARTICLE 14: PROMOTIONS AND STAFF CHANGES

Job Postings

14:01 (a) When a permanent vacancy is anticipated or a new position is created within the bargaining unit, the Employer shall immediately notify the Union in writing and post notice of the position on a bulletin board for a minimum of one (1) week so that all members will know about the vacancy or new position. Such positions shall be posted within one (1) week of vacancy. However, vacancies arising from normal retirement shall be posted sixty (60) days prior to the employee’s retirement. The Employer shall make every reasonable effort to fill a vacant position as quickly as possible. If for any reason the Employer anticipates there will be a delay in the filling of a vacant position, they will notify the Union accordingly. The job shall normally be filled within three (3) weeks of an appointment being offered and accepted.

(b) Where a term vacancy exists that will last longer than three (3) months, or is reasonably expected to last longer than three (3) months, the Employer shall post such vacancy as a term contract, for up to twelve (12) months in duration or longer if mutually agreed. Such posting shall be made immediately upon the Employer being informed of, or having reasonable knowledge that the vacancy shall exceed three (3) months. The job shall normally be filled within three (3) weeks of an appointment being offered and accepted.

Information in Postings

14:02 Such notices shall contain the following information:

Nature of position, qualifications, required knowledge and education, skills, shift, and salary rate or range. Such qualifications may not be established in an arbitrary or discriminatory manner. It is understood that the qualifications listed in the current position description are the recognized qualifications for all job postings.

Union Preference

14:03 Outside applications for any advertised vacancy shall not be considered until such time as applicants of present union members at the Day Care Centre have been fully processed in accordance with this Article.
When a term vacancy becomes available in their classification, the term employee with the highest seniority shall be offered an extension of their contract to cover the new vacancy. The term employee must have successfully completed their initial probation, and possess the necessary skills and qualifications to perform the work.

Promotions

14:04

(a) When selecting an employee for a bargaining unit position, the Employer agrees to use all available information to determine which employee is best qualified to fill the position. The Employer will consider the applicant's qualifications, which shall include knowledge, skill and ability to perform the normal requirements of the job. Where it is determined that the qualifications of the applicants are relatively equal, seniority shall be the governing factor. The job shall normally be filled within three (3) weeks of an applicant being offered and accepted.

(b) Where an applicant is selected, when requested to do so, the University will meet with the Union to elaborate upon its rational for concluding that the applicant selected is demonstrably the most qualified.

14:05 The successful applicant for a promotion shall be notified as soon as possible and shall be placed on trial for a period of two (2) months. Conditional on satisfactory service, the employee shall be declared permanent after the period of two (2) months. An employee who has served in a higher classification on a temporary basis or who has performed the duties of the position to which the employee is promoted shall receive as a credit towards the trial period the time so served in the position.

In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new job classification, the employee shall be returned to their former position, wage, salary rate, without loss of seniority. Any other employee temporarily promoted or transferred because of the rearrangement of positions shall also be returned to their former position, wage or salary rate, without loss of seniority.

Internal Transfers

14:06

(a) Where there is only one (1) internal applicant for a position, and the applicant holds the qualifications for the job, they will be required to meet with their manager and/or Supervisor to discuss the transfer. For the purposes of this Article, the applicant must be a regular full-time or regular part-time employee.

(b) The discussion referred to in (a) may be composed of, but not limited to the following:
• a review of the applicant’s career goals
• a review of the applicant’s professional development
• a review of the applicant’s suitability
• operational feasibility of the transfer

(c) If the Employer is of the opinion that the applicant is in need of additional training and development in order to successfully transfer into the new role, the Employer will make recommendations to the applicant on how this may be facilitated, and will, in addition, list reasonable goals and objectives to be achieved within a two (2) month trial period associated with the transfer.

(d) The employee will be placed on trial in the new position for a period of two (2) months. Conditional upon satisfactory performance in the role, the employee shall be declared transferred to the position at the end of the two (2) month trial period.

(e) In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties and/or stated goals and objectives of the new position, the employee shall be returned to their former position, wage, salary rate, without loss of seniority. Any other employee temporarily promoted or transferred because of the rearrangement of positions shall also be returned to their former position, wage or salary rate, without loss of seniority.

(f) For clarity, the trial period referred to in Article 14:05 shall apply to lateral transfers only.

Notice of Transfer to Employee

14:07 If it is necessary for an employee to be transferred to work with a different group of children, this shall not be done in an arbitrary or discriminatory way. Prior to the Employer’s finalizing a transfer decision, the affected employees and their Union Representative will be briefed, and the reasons for the transfer will be explained. The Employer will consider any suggestions or preferences or training needs expressed by the employees. Where possible, employees will be given one (1) month of notice of a transfer.

Notification to Employee and Union

14:08 Within seven (7) working days of the date of appointment to a vacant position, the name of the successful applicant shall be posted on a bulletin board.

ARTICLE 15: EVALUATIONS

15:01 An annual performance evaluation of each employee shall be done by the supervisor. A written copy of the evaluation, signed by the employee and the supervisor, shall be included in the employee’s personnel file. Evaluations shall be solely for the purpose of assisting the employee in her development.
ARTICLE 16: LAYOFFS AND RECALLS

Definition of Layoff

16:01 A layoff shall be defined as a lack of work, reduction in the work force, or a reduction in the regular hours of work as defined in this Agreement.

Role of Seniority in Layoffs

16:02 Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, senior qualified employees shall be given the first option of accepting a layoff.

Where senior employees do not accept layoff, all term employees shall be laid off first, after which all other employees shall be laid off in the reverse order of their seniority. This shall be done always provided that the remaining jobs shall continue to be filled with qualified employees in accordance with the Child Care and Early Years Act 2014.

Recall Procedure

16:03 Employees shall be recalled in the reverse order of their layoff except where a senior employee opts not to accept a recall for which a junior employee, qualified in accordance with the Child Care and Early Years Act 2014 if required, is available.

No New Employees

16:04 New employees shall not be hired until those laid off have been given an opportunity of recall.

Advance Notice of Layoff

16:05 Unless legislation is more favourable to the employees, the Employer shall notify employees who are to be laid off fifteen (15) working days prior to the effective date of layoff. If the employee has not had the opportunity to work the days as provided in this Article, the employee shall be paid for the days for which work was not made available.

Grievance on Layoffs and Recalls

16:06 Grievances concerning layoffs and recalls shall be initiated at Step 2 of the grievance procedure.

Termination Layoff Notice

16:07 The Employer shall notify employees who are to be permanently laid off in accordance with the following schedule:

- Upon completion of the probationary period but less than 1 year - 1 week
1 year of service, less than 2 years - 3 weeks
2 years of service, less than 4 years - 4 weeks
4 years of service or more - 1 week for each year of service to a maximum of 30 weeks.

If the employee to be laid off has not been given the opportunity to work the amount of time specified above, the employee shall be paid in lieu of that part of the notice required in the schedule during which work was not available.

ARTICLE 17: HOURS OF WORK

Regular Daily Hours

17:01 The regular daily hours of work shall be seven and a quarter (7.25) hours per day, exclusive of a one (1) hour lunch break scheduled each day.

Regular Weekly Hours

17:02 The regular weekly hours shall be thirty-six and a quarter (36.25) hours weekly.

Flexible Working Hours/Week

17:03 During the life of this Agreement, flexible working hours may be introduced provided that:

(a) they are mutually agreed upon between the employee and the Employer, and
(b) the number of hours worked in the course of a week does not exceed the limits stipulated in Clause 17.02 above.

Working Schedule

17:04 The hours and days of work of each scheduled employee shall be posted in an appropriate place at least two (2) weeks in advance. When the duties of any job are changed or increased, or where the Union and/or an employee feels a job is unfairly or incorrectly classified, or when a new job is created or established, the rate of pay shall be subject to negotiations between the Employer and the Union. If the parties are unable to agree on the reclassification and/or rate of pay for the job in question, such dispute shall be submitted to grievance and arbitration. The new rate shall become retroactive to the time the new position was first filled by an employee or the date of change in job duties.

Health and Safety Clothing and Equipment

26:02 The Employer shall provide all employees working in any unsanitary or potentially hazardous jobs with all the necessary protective equipment and
protective clothing required. These shall be maintained and replaced, where necessary, at the Employer's expense.

**Right to Refuse**

26:03 No employee shall be discharged, penalized or disciplined for refusing to work on a job or in any workplace or to operate any equipment where the employee believes that it would be unsafe or unhealthy for themselves, an unborn child, children in care, or where it would be contrary to the applicable federal, provincial or municipal health and safety legislation or regulations. **Health and Safety Grievance**

26:07 Where a dispute involving a question of general application or interpretation of this Article occurs, it shall be subject to the grievance procedure and Step 2 of the grievance procedure may be by-passed.

**Health Care Appointments**

26:08 When an employee cannot schedule a health care appointment outside of the employee’s regular working hours, the employee will give as much advance notice as possible, and will be given time off with pay necessary to attend the appointment. In such cases, the employee will attempt to schedule the appointment so as to minimize disruption to the employee’s work day.

A request by an employee to attend regularly occurring health care appointments, such as an ongoing treatment regimen, which cannot be scheduled outside the employee’s regular working hours, may be treated by the
University as a request for accommodation and treated accordingly, as appropriate.

ARTICLE 27: UNION LABEL

27:01 In order that the general public shall be aware of the benefits of a unionized public service, the CUPE Union Label shall be displayed as prominently as possible through the service.

ARTICLE 28: CHILD/ADULT RATIO

28:01 The Employer and the Union agree that a reasonable ratio of adults to children in a Day Care Centre is essential if the children's physical, intellectual and emotional needs and potentials are to be given proper attention. Therefore, the Employer agrees that the child/adult ratio can exceed the minimum standard, but cannot fall below the minimum standard established by the Child Care and Early Years Act 2014, as amended from time to time.

Parent Advisory Committee

29:05 One (1) employee elected by the bargaining unit, will be entitled to participate on the Parent Advisory Committee.
ARTICLE 30: PRESENT CONDITIONS AND BENEFITS

Present Conditions to Continue

30:01 All rights, benefits, privileges, practices and working conditions which employees now enjoy, receive or possess, shall continue insofar as they are consistent with this Agreement, unless modified by mutual agreement between the Employer and the Union.

Continuation of Acquired Rights

30:02 All provisions of this Agreement are subject to applicable laws now or hereafter in effect. If any law not existing or hereafter enacted, or proclamation or regulation shall invalidate or disallow any portion of this Agreement, the entire Agreement shall not be invalidated and the existing rights, privileges and obligations of the parties shall remain in existence. In such an event this Agreement shall be re-opened for negotiation.

ARTICLE 31: COPIES OF AGREEMENT

31:01 The Union and the Employer desire every employee to be familiar with the provisions of this Agreement and their rights and obligations under it. For this reason, the Employer shall provide, at its own cost, sufficient copies of the Agreement in bound form within thirty (30) days of signing, and the Collective Agreement will be posted on the University’s Human Resources and Equity Website and the link to said website will be provided to all employees in the bargaining unit.

ARTICLE 32: TERM OF AGREEMENT

Duration

32:01 This Agreement shall be binding and remain in effect from July 1, 2017 to June 30, 2020, and shall continue from year to year thereafter unless either party gives to the other party, notice in writing by April 1, 2020 or in any year thereafter that it desires its termination or amendment. Within fifteen (15) working days of receipt of such notice by one party, the other party is required to enter into negotiations for a new Agreement.

Changes in Agreement

32:02 Any changes deemed necessary in this Agreement may be made by mutual agreement at any time during the existence of this Agreement.
ARTICLE 33: GOVERNMENT OPERATING GRANTS

33:01 In the event government operating grants, which form part the wage base and are included in salaries listed in the Wage Schedule of this agreement, are reduced during the life of this agreement the Employer and the Union agree to strike a committee comprised of two members of the bargaining unit and two members of management which shall make written recommendations to management. The committee shall meet within one month of the grant reduction announcement to explore available options which shall include but shall not be limited to the raising of fees, job sharing and unpaid leaves for example. Management shall give serious consideration to the recommendations as presented by the committee and they shall not be unreasonably rejected. In the event such recommendations do not result in the elimination of the grant reduction in whole or in part, the Employer reserves unto itself the right to reduce the wage rates, as set out in the Wage Schedule of this agreement by an amount equivalent to the outstanding grant reduction.

Following such wage reductions should government grants be restored in whole or in part the wage rates reflected in the Wage Schedule shall be immediately restored. It is understood that wage rates shall not exceed those in effect at the time of the reduction.
IN WITNESS WHEREOF each of the parties hereto has caused this Agreement to be signed by its duly authorized representatives in the City of Toronto on November 29, 2017.

Dear Ms. Teibo,

The University agrees that dependents of employees in the bargaining unit shall be entitled to the benefits of the Educational Assistance Policy attached hereto.

Yours truly,

Alex Brat  
Executive Director, Labour Relations
INTRODUCTION

In keeping with its policy objective to provide staff members with opportunities for personal development and establish a working environment that will encourage them to develop their abilities, the University has designed this practice on Educational Assistance. Its provisions define the extent to which the University will financially assist staff to further their formal education.

TERMS OF REFERENCE

Qualifying staff members referred to below are those staff who are eligible in terms of University service (described under ELIGIBILITY) and have academic acceptability by the Faculty, School, Centre, etc., from whom the course is to be taken and the approval of the Department Head before beginning the course as described under PROCEDURES.

ELIGIBILITY

Bargaining unit employees holding administrative staff appointments whether full-time, part-time of twenty-five (25) percent or more, or sessional are eligible. In the case of part-time staff members, for the first three (3) years’ continuous service, the funding is pro-rated in accordance with the part-time appointment.

PROVISIONS

1. One hundred (100) percent Tuition Waived

   Tuition fees are waived for a qualifying staff member taking:

   1) a University of Toronto or Ontario Institute for Studies in Education degree course, up to and including the Master’s level, or

   2) a diploma or certificate program offered through Woodsworth College, or

   3) those courses offered by the School of Continuing Studies in which enrolment is not limited to defined constituencies normally outside the University community or for which substantially higher than average fees are charged. Courses should be taken outside of normal working hours. However, if the course is not otherwise available, one such course at a time may be taken during normal working hours provided the approval of the Department Head is obtained and alternative work arrangements are made.

2. Fifty (50) percent Tuition Reimbursed

   Fifty (50) percent of tuition fees will be reimbursed to a qualifying staff member who shows successful completion of a job-related course given at a recognized educational institution (other than those in 1. above). Such courses should be taken on the staff member’s own time, after normal working hours and must be either:
1) Individual skill improvement courses which are related to the staff member's present job or to jobs in the same field to which the staff member might logically aspire.

2) Courses of study leading to undergraduate certificates, diplomas or degrees offered at recognized educational institutions. Such courses must either be an asset to the staff member in the performance of their present job or directly related to their potential career. Individual courses, even though unrelated, will qualify provided they are a part of an eligible certificate, diploma or degree program.

Dear Ms. Teibo,

The University agrees that employees in the bargaining unit shall be entitled to the benefits of the Fee Waiver for Dependents Policy attached hereto.

Yours truly,

Alex Brat  
Executive Director, Labour Relations
INTRODUCTION

In order to assist staff members who have dependants of University age or dependants who, at a later age, wish to pursue University studies, the University will extend to the dependants of such staff members a waiver of the academic tuition fee for specific University of Toronto programmes. The terms and conditions of this staff benefit are described below.

TERMS OF REFERENCE

A dependant must have met the admission requirements for the qualifying programme and have followed the normal procedures regarding application for admission and registration before application is made for tuition to be waived under this policy.

For the purposes of this policy, “dependant” shall mean a son, step-son, daughter, step-daughter, spouse, or same sex partner of an eligible staff member.

“Academic tuition fee” by definition excludes application, registration, service, examination and other incidental fees.

ELIGIBILITY

This benefit is available to:

Staff members of the University. In the case of part-time staff members, the benefit will be pro-rated in accordance with the part-time appointment.

Student: Dependants proceeding towards a degree or certificate in a qualifying programme (not special students). Qualifying programmes are described under PROVISIONS (below).

PROVISIONS

The academic tuition fee waiver is applicable to programmes which lead to a first undergraduate degree or certificate and which do not require prior undergraduate preparation since admission is normally gained directly from high school. Eligible dependants enrolled in these programmes will have their academic tuition fee waived for each academic year of the programme until the degree or certificate is awarded.

The waiver is not applicable to programmes which require the completion of any prior undergraduate courses. Programmes in the following areas are also not eligible:

- Royal Conservatory of Music
- School of Continuing Studies
- Woodsworth College Diplomas
- Transitional Year Programme
- Pre-University Programme

Where a student receives a scholarship which provides for the payment of fees, the terms of the scholarship will apply prior to any waiver of tuition under this policy.
PROCEDURE

Staff members should obtain two copies of the form “Application for Waiver of Academic Tuition for Dependents of Staff” from their department or division head or the Human Resources Department.

One copy of the form should be retained by the student or staff member.

The other copy of the form should be presented, with a fees form along with payment of all incidental fees, to the Fees Department (or College Bursar if the student is enrolling in a Federated College).

Administration of this Policy

Questions and requests for interpretations of the policy should be referred to the Human Resources Department.

Dear Ms. Teibo,

During the current collective bargaining negotiations, the Union expressed concerns regarding the provision of timely and accurate information in respect of organizational restructuring at the Early Learning Centre, including any proposal that the University might have to alter the current staffing model at the ELC.

Consequently, the University agrees to meet to provide the Union with preliminary information in respect of organizational restructuring changes or changes to the staffing model when in the University's view sufficient information is known and available regarding the general reasons, nature, anticipated organizational impact and approximate timing of the restructuring action or alteration to the staffing model.

Before any organizational restructuring plan is implemented, the Union will be informed of all estimated impacts on the bargaining unit and/or its members. The Employer will endeavour to provide such information twelve (12) weeks prior to the implementation of the restructuring, but in any event no less than six (6) weeks advance notice will be provided.

APPENDIX A: POOLED EMPLOYEE CHILD-CARE BENEFIT PLAN

Members with a dependent eligible child under the age of seven will be eligible for reimbursement of child-care expenses as follows:

PART 1

1) The maximum half-day reimbursement will be $10.00 per day. A half-day is defined as a minimum of four (4) hours to a maximum of six (6) hours of care, or where the parent is being charged a half-day rate by the child care provider.

2) The maximum full-day reimbursement will be $20.00 per day. A full-day rate is defined as six (6) or more hours of care, or where the parent is being charged a full-day rate.

3) Reimbursement is limited to fifty percent (50%) of the lesser of (i) the amount actually paid; and (ii) the usual and customary amount charged by the service provider for the same child care services. Between January 1, 2010 and February 1, 2010, and between January 1 and February 1 of subsequent calendar years, Members must provide to the University, in a single package, detailed receipts substantiating the child care expenses in respect of which reimbursement is sought for the previous calendar year along with proof of payment (e.g., credit card receipt, front and back of cancelled cheque, or a validated receipt). Reimbursement in respect of a calendar year shall be made in one lump sum cash payment, less applicable withholdings, if any.

4) Reimbursement will be made only for child care expenses (as defined in the ITA- Income Tax Act) incurred by the Member. The University makes no representations as to whether a deduction from income is available under the Income Tax Act in respect of any amounts paid or payable under this plan.

5) If both parents are eligible for reimbursement under a child-care benefit plan at the University only one shall be entitled to claim reimbursement under any such plan in a calendar year.

6) The plan maximum of $2,000 per child will be provided annually, based on a calendar year. The amount will be prorated for less than full-time equivalent employment. A Member who has been appointed for less than the full calendar year shall be entitled to a pro rata amount for that year. There are no carryover provisions if the full $2,000 is not used in any given year.

7) The terms "child care expense" and "eligible child" in this plan shall have the meanings given to them in subsection 63(3) of the ITA. The term "child" shall have the extended meaning given to that term in subsection 252(1) of the ITA such that, where used in this plan, the term "child" shall include a natural, step, common-law or adopted child or ward under the age of seven.
PART 2

1) Payments to be made by the University under this plan shall be paid solely out of the general operating monies of the University. The University shall not be required to contribute or set aside any amounts to a separate fund or account to satisfy its obligations under this plan, or otherwise secure its obligations under this plan.

2) The value of the annual eligible claims under this plan shall not exceed the total amount available in the plan pool. The amount in this plan pool shall be based on the total of the amounts apportioned to each of bargaining units participating in the pool. If pool membership changes during the life of this Collective Agreement, and the plan pool amount accordingly changes, the Union will be so notified.

3) The value of the annual eligible claims under this plan shall not exceed this annual plan pool. If, in a given year, the value of the eligible claims under this plan is greater than that amount, all claims will be reimbursed on a pro-rated basis.

4) All Unions participating in this plan pool will be notified of the amount in the pool at the beginning of each benefit year.

Ms. Janet Teibo  
Local Coordinator  
CUPE Local 2484  
1248 Davenport Ave  
Toronto, ON  
M6H 2G9

Dear Ms. Teibo,

During the 2017 round of collective bargaining, the parties discussed amendments to the Employment Insurance (EI) Act reducing the waiting period to receive benefits under the EI Act from two weeks to one week for pregnancy and parental leaves, as well as the impact of that reduction on the payments made by the University to employees taking pregnancy, parental, and primary caregiver leaves under the Collective Agreement.

Under the terms of the Collective Agreement in place up to the current round of negotiations, the University compensated employees taking pregnancy leave, parental leave, and primary caregiver leave at 95 per cent of their weekly salary for the two week waiting period for pregnancy or parental leave benefits. Therefore, the legislative changes result in the elimination of one week of leave with 95 per cent of salary for such employees.

The parties agree that an employee who is entitled to and provided with salary during the one week waiting period and top up pursuant to Articles 22:09(b), 22:10(c) or 22:11(d), will receive one paid week of leave ("Parental Transition Week") immediately following the end of their EI pregnancy or parental leave (the end of their combined leave for employees who take both pregnancy and parental leave). This Parental Transition Week will be in addition to the leave entitlements set out in Articles 22:09(a), 22:10(a) and/or 22:11(a).

During the Parental Transition Week, employees will be paid 100 percent of their weekly salary, whereas the eliminated week during the EI waiting period had been compensated at 95 per cent.

Alex Brat
